

APPENDIX 2 BAGGAGE RESTRICTIONS

Please note that luggage space is limited on JetBee aircraft.

To ensure that all passenger baggage is carried on each flight and no baggage is left behind at the airport, please adhere to the following baggage limitations.

Max Dimensions

Width	Height	Length
450 mm	560 mm	250 mm
17,71 inches	22 inches	9,85 inches

Note: Each piece of luggage must not exceed the above dimensions

Max Weight

	Kgs	Lbs
Per piece	12	26

Note: Each piece of luggage must not exceed the above max weight or it will be not be allowed on the aircraft

Please note that there may be occasions when due to the number of passengers, total baggage weight may be restricted.

Please confirm available baggage weight with an JetBee representative when booking your flight.

Please note that certain items are not permitted for carriage onboard JetBee aircraft, or have restrictions surrounding their carriage. Please see Appendix 3 for more information.
